Licensed Clinical Psychologist – Illinois License No. 071.023419	2026
Licensed Psychologist – Arkansas License No. 202305	2024
DAABHS Certified Forensic Examiner (Qualified Psychologist) <i>Division of Aging, Adult, & Behavioral Health Services</i>	2023

PROFESSIONAL EXPERIENCE

Clinical and Forensic Psychologist 2024 – Present

Expert Psychological Evaluations | Little Rock, AR

- Independently conduct comprehensive forensic psychological evaluations of defendants across correctional, inpatient, and community-based settings, including jails, psychiatric facilities, private offices, and outpatient clinics. Evaluations address fitness to proceed and restorability, criminal responsibility, culpable mental state, feigning/malingering, violence and sexual violence risk, and juvenile transfer.
- Conduct additional forensic and clinical evaluations addressing parental capacity and abuse risk, law enforcement pre-employment, Board of Nursing psychological clearance, and psychoeducational and psychodiagnostic referral questions.
- Provide expert testimony regarding forensic psychological findings and opinions.
- Provide informal supervision and consultation to practicum students regarding clinical evaluation questions, case conceptualization, and professional practice.
- Co-presented continuing legal education (CLE) and professional training seminars to attorneys on Arkansas forensic-evaluation legislation and parental fitness/family law evaluations.
- Presented professional lecture for psychology trainees (predoctoral interns and postdoctoral fellows) on Social Security disability evaluations.

Postdoctoral Fellow in Forensic Psychology 2023 – 2024

Expert Psychological Evaluations | Little Rock, AR

Supervisor: Benjamin Silber, Ph.D., ABPP

- Completed supervised postdoctoral training in forensic psychological assessment across correctional, inpatient, and community-based settings, including jails, psychiatric facilities, private offices, and outpatient clinics, addressing fitness to proceed and restorability, criminal responsibility, culpable mental state, feigning/malingering, disability eligibility, law enforcement pre-employment, and parental capacity.
- Conducted clinical psychological evaluations, including psychoeducational, psychodiagnostic, Board of Nursing psychological clearance, and law enforcement pre-employment evaluations.
- Participated in weekly didactics on forensic topics and ABPP Board Certification training.
- Provided expert testimony.

APA-Accredited Predoctoral Intern – Forensic Assessment and Treatment 2022 – 2023

Department of Mental Health (DMH) Center for Behavioral Medicine | Kansas City, MO

Supervisors: Jonathan Torres-Bodman, Psy.D.; Matthew Fowler, Psy.D.

- Conducted and participated in competency-to-stand-trial evaluations of inpatient and outpatient defendants, including administration, scoring, and interpretation of the Evaluation of Competency to Stand Trial-Revised (ECST-R), under supervision of a Certified Forensic Examiner.

- Provided individual and group competency-restoration treatment using Illness Management and Recovery (IMR), the Slater Method, Dialectical Behavior Therapy (DBT), Michael's Game, and mock trials.
- Served as primary supervisor for a practicum student.
- Administered, scored, and interpreted psychological assessment batteries addressing neuropsychological functioning, diagnostic clarification, and feigning/malingering.
- Co-presented professional lectures for medical students at University of Missouri-Kansas City on human development and DSM-5-TR diagnosis.
- Attended weekly forensic continuing-education seminars and didactics.

Psychometrist

2021 – 2023

Flourishing Lives Counseling Center | Naperville, IL

Supervisors: Kathleen Hayden, Psy.D.; Nancy M. Rivas, Ph.D.

- Administered, scored, and interpreted psychological diagnostic assessment batteries involving neurodevelopmental, mood, anxiety, trauma-related, substance-related, feeding and eating, personality, and neurocognitive disorders.
- Developed individualized treatment recommendations based on assessment findings.

Forensic Treatment Program Advanced Practicum Extern

2021 – 2022

Elgin Mental Health Center | Elgin, IL

Supervisor: Jordan McGarel, Psy.D.

- Provided forensic psychological services within a medium-security inpatient treatment unit serving individuals adjudicated Unfit to Stand Trial (UST) due to serious mental illness, including psychotic, mood, neurodevelopmental, and neurocognitive disorders.
- Conducted fitness evaluations and assessed patients' progress toward restoration of fitness.
- Provided individual and group competency-restoration treatment.
- Collaborated with an interdisciplinary treatment team regarding patients' fitness-related abilities, treatment needs, and stabilization.
- Administered, scored, and interpreted psychological assessment batteries for diagnostic clarification.

Inpatient Therapy Practicum Extern

2020 – 2021

Streamwood Behavioral Healthcare Systems | Streamwood, IL

Supervisor: Michael Handwerk, Ph.D.

- Provided individual, group, and family therapy using DBT- and CBT-informed interventions to patients presenting with mood, anxiety, psychotic, personality, trauma-related, and neurodevelopmental disorders.
- Developed treatment plans for patient stabilization, including outpatient aftercare.

Neuropsychological Diagnostic Practicum Extern

2019 – 2020

NeuroCare and Family Services | Wheaton, IL

Supervisors: Robert Ida, Psy.D.; Lance Reinke, Psy.D.

- Conducted neuropsychological diagnostic assessment batteries involving neurodevelopmental, neurocognitive, trauma-related, mood, and medical presentations.
- Developed individualized treatment recommendations based on assessment findings.
- Attended neuropsychological didactics and seminars.
